Play for a cause

Tollygunge club recently played host to Hope Cup Golf Tournament. Over 62 teams from Kolkata participated in the event, organized to raise funds for a cerebral palsy institute. Reena Sen, executive director of the institute, said, "This tournament is for a noble cause and we are really thankful to the club for its kind association with us for the last three years." Sandipan Chakraborty, president of the club, said, "I am glad to be a part of this endeavour. We are glad to do something for these differently-abled children. It is really worth it." Governor MK Narayanan, who gave away the prizes along with Tolly golf captain Joydeep Dutta Gupta and guest of honour David Panter, said, "The true joy is in giving." While Manashri Ghose, Tuku Barua, Sraboni Pal and Anju Chopra won the best ladies team award, Ranadeep Moitra, Karanbir Chowdhury, Raghbir Choudhury and Rohan Shroff bagged the Hope Cup trophy. VK Tejpal won the best dressed male golfer award. The ceremony concluded with the rendition of a beautiful song by Traids. A sumptuous dinner brought the evening to a close.
